SEPTEMBER 2011

Welcome to the September edition of our newsletter. Below you'll find some exciting news on our new facebook page, new food workshop as well as highlights from some of our recent events.

A cheeky Christmas Elf poses with Santa at the Colyton Hotel.

Christmas in July at Functions of Fun

Functions of Fun helped to bring the spirit of Christmas to Balmain and Colyton this July! During the 15th to 18th of July 2011, Balmain came alive with the annual *Christmas in July* event. Functions of Fun entertained families with our cheeky elves and 'toy factory' supervisors! We also joined in the fun at Colyton Hotel's Christmas event with face painting, balloon bending and craft for all the family.

New Food Decorating Workshop

Functions of Fun have recently launched a new food-decorating workshop for school holiday entertainment.

This July, children across Sydney were entertained in local shopping centres with a series of craft and food workshops, which involve decorating cookies, making pirate faces out of fruit and even frog apples! The workshops were a hit and are a great way to bring your fresh food market alive with activity!

For further details, contact Daniela on 0417 331 889.

Creative face painter extraordinaire, Arezu.

SPOTLIGHT ON: AREZU - face painter

Q. What inspires you?

A. Face painting is all about working on a three dimensional canvas. Each face is different and represents challenges in both scale and design that make each piece of art inspiring. I also love working with children: their joy makes my role interesting, fun and colourful!

Q. Which events do you like working on the most?

A. Festivals and full day events - because I get to interact with so many different customers. I enjoy showcasing the full depth of my art and the range of faces I have perfected over the years.

KEEP UP TO DATE WITH FUNCTIONS OF FUN - Every quarter, we will send you newsletters with news, special offers and updates on our services. If you prefer not to receive any further newsletters, please send an email to us with the word 'Unsubscribe' in the subject field, including your name and address.
